

WINDSOR HIGH SCHOOL - CHROMEBOOK POLICY

Ownership of the Chromebook

Windsor C-1 School District retains sole right of possession of the Chromebook. The Chromebooks are lent to the students for education purposes only for the academic year. Windsor C-1 administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add, or delete installed software or hardware.

Expectation of Chromebook Use

- The Chromebook is a learning device and should be brought to school on days when school is in session. The devices will need to be charged ahead of time.
- The Chromebooks will need to be kept in a protective carrying case.
- This is a loaned device. The removal or destruction of any ID sticker, barcodes, or engraving is prohibited. Any damage to the physical device will result in the need for repair. Prices for Chromebook repair is provided. See the Chromebook Protection Program on page 2.
- The Chromebooks are assigned to specific students. Do not share or loan the Chromebook that is assigned.
- The inappropriate use of technology, as defined by the Acceptable Use Policy, is strictly prohibited and will result in disciplinary action.

Replacement and Repair

If a repair or replacement is needed, the Chromebook will need to be brought to the Library where a loaner will be issued. Students will be required to pay these replacement costs if the Chromebook is intentionally damaged or lost. The following are the cost of Chromebook parts and replacement.

Item	Replacement Cost
Case	\$40
Charger	\$20
Screen	\$50
Chromebook (includes device, management software, and case)	\$337.00

Any repair fee not listed will be assessed based on the cost of the repair.

Returning Your Chromebook

a. End of Year

At the end of the school year, students will turn in their Chromebooks and all peripherals and accessories. Failure to turn in a Chromebook will result in the student being charged the full \$337.00 replacement cost. Additionally, a report of stolen property with the local law enforcement agency will be filed by the school or school designee.

b. Transferring/Withdrawing Students

Students that transfer out of or withdraw from Windsor High School must turn in their Chromebooks and peripherals and accessories to campus office personnel on their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full \$337.00 replacement cost. Unpaid fines and fees of students leaving Windsor C-1 School District may be turned over to a collection agency. Additionally, a report of stolen property with the local law enforcement agency will be filed by the school or school designee.

Chromebook Protection Enrollment Form

Student Name: _____

School Year: _____

Grade: _____

Enrollment in the Chromebook Protection Program will repair a Chromebook in the case of accidental breakage or defective hardware (example: screens, headphone jacks, keyboards, battery, touchpad, charger). Chromebook Protection must be paid in full before a Chromebook can be issued.

The Chromebook Protection Program cost per device is \$30.00 annually* and covers one claim in full for accidental damage or breakage of any Chromebook repairs. Second claim within a year will require a \$5.00 deductible. Third claim within a year will require a \$10.00 deductible and fourth claim within a year will require a \$15.00 deductible. Payment of each deductible is required before the unit will be repaired. Subsequent claims beyond the fourth claim within a year will be at a total cost to the student.

Total loss of a Chromebook, charger , and/or case is not covered under the Chromebook Protection Program. Loaner devices will be made only during school hours. Students are responsible for paying for the total loss of the device. Subject to administration review, a second device may be issued.
