Seniors and Senior Parents,

As you are aware, Windsor High School embarked on a One-to-One initiative beginning with the 2015 - 2016 school year and every WHS student received a Google Chromebook. As we reach the end of this school year, we have an exciting opportunity for our departing Seniors.

**As part of the One-to-One initiative, each Senior will be given the opportunity to purchase their Chromebook to take with them as they move forward in their educational career.**

**If the Chromebook Protection Plan was paid in 2015 - 2016 and 2016 - 2017, then the cost of the device is \$100.00.** Otherwise, the cost of the Chromebook is \$160.00 less the annual fees paid for your student.

If you decide that you would like to purchase your Chromebook, please pay via cash or check to the WHS main office by Friday, April 28th. Checks should be made payable to Windsor High School.

**The Chromebook must be factory reset the last week of school with Mr. Jeff Kuehnle at the High School to make the device available for personal use.**

If you decide to not purchase your Chromebook, please make sure that it is turned in to the WHS Library by the last day of school for Seniors. Failure to do so will result in a fine placed on your record and will jeopardize your participation in our graduation ceremony on Thursday, May 25th.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Naucke". The signature is fluid and cursive, with a large initial "J" and "N".
