Windsor C-1 Families and Community,

The district would like to take this opportunity to thank everyone for their support during these uncertain times. As a district, we would like to inform every one of the following:

- The Windsor C-1 School District facilities will be **open for use on July 1, 2020.**
- Announcements concerning the return to athletics and activities are posted on the Windsor C-1 website (windsor.k12.mo.us).
- The Athletics and Activities Waiver form is posted on the Windsor C-1 website (windsor.k12.mo.us). Parents may also access the waiver through the SIS parent portal.

Following the guidelines outlined in these documents is essential for facility use and were designed to create the safest environment possible.

Again, we would like to thank everyone for your support. More information will be coming in the following weeks concerning the 2020-2021 school year.

Respectfully,

Windsor C-1 Administration
